under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 5th March 2012. It was reissued on the 29th May 2013 and 31st October 2014 to include additional products. Due to changes to the Declaration of Performance for the product '500CNW' this certificate was reissued on the 12 August 2015. This certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
